*Sources: Totals for Poland are taken from official Polish data supplied by Western governments and banks. Lending by the US is as of 30 September 1981 as reported in official US government sources. Lending totals for France and the United Kingdom are taken from US embassy reporting. Totals for other Western governments are estimates based on embassy reporting and financial data supplied by the Bank for International Settlements and the Bern Union of Credit Insurers. In most cases, the data is as of 30 June or 30 September 1981.
